**Subject:** Thank you

Dear President Dr. Skarpelis-Sperk,  
Dear Members,

It is perhaps one of those times when words cannot describe or evoke what we feel in the SOS Children's Villages Greece, for your most generous decision taken to support our work, our children and our country.

Children in crisis know no cultural or national boundaries. This support, having our children and our country in your hearts and your minds, make for a brighter and more hopeful future and it becomes much more valuable due to the increasing economic hardship in Greece.

Your support to our work gives another dimension to the meaning of "giving", to the meaning of "solidarity" and strongly proves that "we are one Family". We feel blessed for your presence, we feel blessed for the support of all the members of VDGG e.V.

The total donation of 106.140 Euro, which you have sent us in 2012, has been used for the benefit of the children being under the protection of SOS Children's Villages Greece and living in the SOS Children's Villages Vari-Athens, Plagiari-Thessaloniki and Thrace-Alexandroupolis.

More specifically, we have covered:

Justification	Amount
Nutrition and Clothing for all children	17.000 Euro
Educational requirements for all the children and the teenagers	12.000 Euro
Psychological and pharmaceutical support for all the children and the teenagers	25.000 Euro
Heating of the SOS Houses	24.000 Euro
Electricity expenses	24.000 Euro
Various needs	4.140 Euro
<b>Total:</b>	<b>106.140 Euro</b>
