Subject: Verification of donation received

Dear President,
Dear Members,

We wish to thank most sincerely all the Members of Vereinigung der Deutsch-Griechischen Gesellschaften for the new donation of 1.841,29 Euro which we have received for supporting our work.

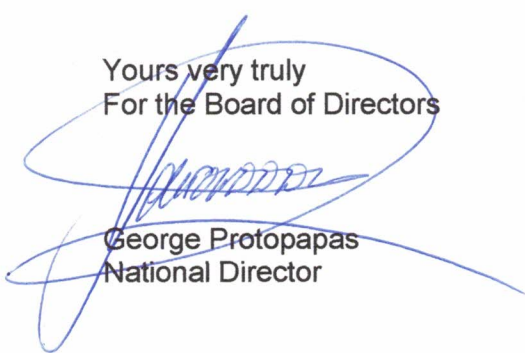

The Covid-19 pandemic has tested us very hard and continues to do so. The whole year of 2021 continued to be an extremely difficult year for all and under these circumstances we feel blessed that you have stood by our side and together we have taken an important step towards a strengthened path of solidarity.

With this donation, you are contributing to the running costs of SOS Children's Villages Greece for the children living there, but also for the poor families, we support through the Social Centers in Athens, Piraeus, Thessaloniki, Alexandroupoli, Heraklion, Ioannina, Kalamata, Komotini and Patras.

Your love, care and support, are truly giving us the strength and moral power, which are necessary to continue our work of caring for the homeless children and provide them with a family situation.

On behalf of the children, the coworkers, the Board members of SOS Children's Villages Greece, we wish much joy and energy for the future challenges together with health and safety for each one of you.

Yours very truly
For the Board of Directors

George Protopapas
National Director
